How to Heal the Body and Mind with the Help of the Angels Hay House Incorporated

"Do you have a book about angels for someone who's a complete beginner?" Doreen Virtue frequently hears this question at her workshops,

and usually points them to her book *Healing with the Angels*. Yet, even that book is a bit advanced for newcomers. One morning she clearly saw and heard the title *Angels 101*, and Doreen knew that the angels wanted her to write a very basic and elementary book.

Angels 101 is a nondenominational overview of who the angels are; their role in various spiritual texts and religions; the ways that angels help us and how to call upon them; information on guardian angels, archangels, and departed

loved ones; and frequently asked questions about the angels. No matter where you are on a spiritual or religious path, this book is sure to deepen your understanding and love of the angels—and it makes the perfect gift for someone new to these concepts!

Since the publication of her best-selling book *Earth Angels* (more than 80,000 copies sold), Doreen Virtue presented workshops about these lightworkers to several international audiences, which yielded additional information about the various realms that these beings originate from. In addition to the “core realms” that Doreen discussed in the first book (*Incarnated Angels, Incarnated Elementals,*

Star People, and Wise Ones), some new realms have been discovered. In *Realms of the Earth Angels*, Doreen discusses the original *Earth Angels* book, plus gives updated descriptions about the new realms, which include *Mystic Angels* (half-angel, half-wise one); *Leprechauns* (half-elemental, half-wise one); *Merpeople*; *Knights*; and more. As with the original book, you, the reader, can take an expanded quiz to help you recognize your

own realm. Each realm has its own chapter, with Angel characteristics, suggestions, advice, and case studies.
