Husqvarna 357xp chainsaw.

Good clean honest saw. The 357
was the last of the old school
saws. It does everything it should.

It's had a new clutch cover and
stickers, the decompression valve
(girly button) has been removed
and replaced with a genuine
Husqvarna plug. It's had a new
barrel and piston professionally
fitted. Good to go for the
upcoming fire wood season.

husqvarna chainsaw 357 xp .
Condition is For parts or not
working. Don ' t know any
history of machine, the saw is
complete and has
compression. Tried pulling it a
good few times but never
started so an issue somewhere.
Bar and chain are well used
and probably need replaced,
brake seems to work, usual
scuffs and scrapes on plastic
from being well used.
